

HIGH TECH HACKS

SHOWCASING DIVERSE TALENT

June 19-20, 2021

HIGHTECHHACKS.COM

WHAT IS HIGH TECH HACKS?

HighTechHacks is a hackathon, cohosted by High Tech's two leading STEM-focused clubs, HT-SHPE and Tech Club, that seeks to bring together a diverse group of high school talent to invent, create, and push the boundaries of technology. By providing opportunities to explore the world of computer science and engineering to underrepresented groups, HighTechHacks seeks to bridge the representation gap in the tech industry.
